12. I beg to offer the following remarks on the Muzrai Commissioner's letter:-

Paras 1 to 3:- No remarks.

13 Para 4:- Statement A 1. Grants to Institutions.- The Muzrai Commissioner's proposals for the continuance of the grants to the institutions may be approved. The recommendation for treating these grants as Tasdik Devadaya grants of the respective institutions and the issue of title deeds may be reserved for separate consideration after the question of utilization of the savings is disposed of by Government. The discontinuance of the Nehmi grants listed in A. 2. may be accepted.

14 Para 5:- The proposals for the continuance of Nehmi grants as detailed in lists A.3 and A.4, during the life-time of the present recipients are reasonable and may be approved. It is, however, necessary that the services expected to be rendered from the Nehmidars (Vide, list A 3) should continue to be performed by the receipients.

15 The Muzrai Commissioner proposes to send the amounts to the several taluks for disbursement to the Nehmidars by means of R.T.R.s. Though this arrangement would be a little cumbrous and the issue of separate payment orders for drawing the monthly allowances directly from the treasury would be simpler, the arrangement suggested by the Muzrai

Muzrai Commissioner would ensure better control over the Nehmi payments. The suggestion may be accepted.

16 As regards list A 5, the eleven cases referred to therein should be further examined early, the allowance being continued to the present receipients in the meantime, pending further orders.

The allowances included List A-5 may continue to paid, but the investigaon of these cases should required to completed thout delay.

17 Paras 6 and 7:- The Muzrai Commissione. further proposals regarding the disposal of the chattram buildings and vessels etc., may be awaited.

18 Para 8:- The question of utilization of the chattram savings will have to be separately considered. This amount falls short of the estimate (vide para 22, flag A) by about Rs 10,000/-

19 Para 9:- Orders have already issued in flag R for providing an additional sum of Rs 10,000 from the General Revenues for "Construction and Repairs of Muzrai Buildings." The Muzrai Commissioner's proposal to utilize a portion of the chattram savings to augment the allotment annually made for Construction and Repairs" need not be considered.

I agree. Muz: Commr:'s ttention may be invited to ecent orders on this subect.

20 Para 10:- A Budget of the Chattram Savings Fund may be prepared by the Muzrai Commissioner annually and submitted for the information and orders of Government.

I agree. This procedure ay be brought into force rom the next year.

Muz 290-27-1

P. Srinivasa Iyengar, Esq., B.A., B.L.,

Secretary to the Government of His

Highness the Maharaja of Mysore,

Financial Department.

Sir,

With reference to G.O.No.675-80/M.F.89-23-10 dated 10th November 1926 and subsequent correspondence, I have the honor to state that it is reported by the Deputy Commissioners that effect to the orders of Government was given as directed and that free feeding in the abolished Anna-chattrams was stopped from 1st January 1927.

2. As regards the nehrmi allowances referred to in para 19 of the order, no more allowances of this nature have either been sanctioned afresh or renewed after 10th November 1926. As regards the existing allowances, I submit herewith the following statements.

A. Details showing nehrmi payments which are now being incurred in Government Anna chattrams abolished since 1910.

A_1 Nehrmis to institutions for daily worship, Kaditara and Deepa-radhane expenses sanctioned by competent authority and proposed to be continued.

A_2 Nehrmis to institutions for purposes other than worship etc., and proposed to be discontinued.

A_3 Nehrmis to individuals on grounds of old age, poverty, bodily infirmity etc., and proposed to be continued during the life-time of the present-holders

A_4 Nehrmis to individuals on account of extreme poverty, destitution etc., and proposed to be continued during life-time of the recipients.

A_5 Nehrmi to individuals requiring further enquiry as the particulars have not been furnished by Deputy Commissioners.

B. Statement showing the original recurring grants of the institutions, the total nehrmi charges which are now being incurred and the balance of grant available.

C. Statement showing the details of the nehrmi allowances sanctioned for individuals and institutions.

D. Abstract statement of receipts and expenditure of the Chattram cash grant and income from investment.

3. From statements C & D it will be seen that out of a total grant of Rs.43040-7-0 endowed to the chattrams abolished since 191 sum of Rs.11062-7-0 was being expended on account of nehimi payments, leaving balance of Rs.32038-0-0 for bona-fide purposes of the chattr and that out of the total nehimi charges of Rs.11062-7-0, a sum of --- Rs.7546-0-0 was being paid to institutions and the balance of Rs.3516-1-0 to individuals. In both the cases the authority under which the grants were made has been quoted as far as possible. At this distance of time it is not possible to ascertain definitely whether in all cases grants have been sanctioned by authorities competent to do so.

4. As regards the grants to institutions, the Deputy Commissioners are generally of opinion that their continuance is very necessary as otherwise the conduct of worship in those temples will have to be discontinue as they have no other source of income. In view of this recommendation and also of the fact that the institutions concerned are of much local importance catering to the religious needs of the community, I beg to -- recommend that the grants to individual institutions as exhibited in -- statement A1 may be confirmed in favour of those temples.

5. As the chattrams have been totally abolished, it seems to me that assignments from their bedum grants made as above in favour of temples may be transformed permanently and treated as Tusuk Devadaya grant of the respective institutions and the temples treated as Muzrai institution subject to the department rules and regulations. The Comptroller to Government who was consulted in the matter is of opinion that "nehimi -- "grants made to temples or other institutions without time limit may "treated as permanent assignment and the institution treated as one ---- "endowed with cash grant".

If this view is accepted, the Survey Superintendent at Mysore will be requested to issue registered Title-deeds in favour of the institutions concerned for the sanctioned amounts, a corresponding reduction being -- made in the grant to "Chattram and Chattram Savings Reserve" under 13 -- Muzrai Institutions, 2 Endowments and charitable allowances and included under "Temples".

The grants to temples other than for purposes of daily worship etc as shown in statement A2 may be immediately discontinued and the amount

brought

s the grants to individuals, I beg to state that all -- he nature of personal grants be liable during the life- of the present recipients only. Lapse among the annui ties ments of the kind will eventually go to the benefit of the Fund itself.

Though the payments shown in statement A are in the nature of hereditary grants, the payment thereof may be confined to the present recipients in consideration of the fact that they have been in long -- enjoyment of them and are reported to be carrying out the object of the grant so far as present day circumstances permit.

The Deputy Commissioners while stating that the pensioners ---- mentioned in statement A_4 are all poor and helpless, incapable of earning a livelihood, recommend that the payments may be continued during their life-time. In cases mentioned in statement A_5 the Deputy Commissioners have stated that needful enquiries are being made and that further reports would be sent up. Pending the receipt of their replies after necessary investigation, the grants may be considered to be in force.

As regards the treatment of these allowances, the Comptroller to Government states as follows:--

"Pension allowances granted to individuals on personal grounds --- lasting for a limited period or for the life-time of the grantee which should lapse after the prescribed period or with the death of the grantee and be credited to Chattram Savings Fund should be kept distinct and -- provision made in the respective taluks for the amounts actually payable. To avoid confusion and distinguish them from "Muzrai Stipends these ---- allowances may be styled "Chattram pension allowances."

I agree with the views of the Comptroller. As soon as orders -- of Government are passed on the above proposals, the amounts payable in the several Taluks will be determined and arrangements made to send --- Remittance Transfer Receipts for requisite amounts from 1938-39 out of the Chattram Savings fund, payment up to the end of June 1938 being made as heretofore.

6. As regards the disposal of the buildings and connected properties referred to in para 21 of the order of 15th November 1936, I beg to state that a statement giving particulars in respect of all the abolished Chattrams and embodying proposals of the Deputy Commissioners after consideration in the matter was ready for submission along with these proposals.

Correspondence ending with Govt. Prof. No. 2070-77-29-10 dated 13th November 1929 regarding the revolution of the Mysore Legislative Council and requesting the Legislative Council to make necessary recommendations in this matter.

2. Letter No. 1017 of 27-2-30 from the Joint Secy. to the Huzur Commissioner in Mysore submitting proposals, as called for in para 13 of the above ref, for the disposal of the Mysore Palace and grounds to the Trustees of the Jayachamaraja (to be read in extenso).

Refer to Mr. Zk S. Iyer & Mr. Yes

Enc and file to the Superintendent Printing

(Secret 1842-3) Huz 290-27-2 dt. 14-4-28

Govt. [illegible] following [illegible] Huzur Commissioner [illegible] to [illegible] allowances to [illegible] Palace [illegible] reported [illegible] them [illegible] established. This investigation [illegible] into the [illegible], which should be expedited, the allowances may continue to be paid.

3. The Huzur Commissioner [illegible] allowances, [illegible] purposes [illegible] stated [illegible].

Steps should be taken to stop these payments at once.

4. The Muzrai Commissioner recommends that certain Nehimis allowances as shown in statement A 3 may be continued to individuals on grounds other than poverty, or bodily infirmity etc, during the life time of the present holders. Government desire that these cases also require examination should be further investigated and it may be ascertained with a view to whether there is any justification for continuing them even during the life time of the present Nehimidars. Pending investigation the disbursement of their allowances may be continued.

Muz. Comrs

4. Government approve of the ~~his~~ proposal to continue during the life time of the present recipients the Nehimis allowances ~~to individuals~~ mentioned in statement A 4 on account of extreme poverty, physical disability etc. These allowances may be called "Chattram Nehimi allowances" and ~~the expenditure may be in future be shown~~ shown under a separate head as suggested by the Muzrai Commissioner and the Comptroller. It is necessary to insist upon the production of periodical proof of continued existence of Nehimidars. Disbursement of allowances payable to them should be made either on their personal appearance at the ~~Taluk~~ treasury or production of acceptable life certificates. Payment of these allowances at different Taluk treasuries may be arranged for by means of R.T.R.S as suggested by the Muzrai Commissioner.

5. ~~There is no objection to the continuance of the~~ Nehimis allowances to individuals mentioned in statement A 4 may be continued ~~but those who fail to produce certificates~~ may be dropped ~~or who are not available and whose presence cannot be secured for enquiry.~~ Government ~~This~~ investigation into these

these cases should be completed without delay.

6. Government await the receipt of definite recommendations of the Muzrai Commissioner in the matter of the disposal of the Chattram building and Stock of [illegible] vessels.

~~In connection with the disposal of [illegible] the Muzrai Commissioner's [illegible] referred to, [illegible] to permit the [illegible] Mizpa Joint Stock Treasurer~~ As regards the personal account of the Chattram Savings Fund for the sum of Rs.10000/- for augmenting the ~~endowment~~ for repairs and construction of Muzrai institutions, ~~attention is invited to~~ ~~[illegible] G.O.No.10 8-1/Muz.092-28-1 dated~~ 10th February 1928, ~~[illegible]~~ In view of the arrangements sanctioned in this order no allotments of funds for this purpose from these savings is necessary

8. The Muzrai Commissioner is requested to take necessary further action in accordance with the ~~re-~~ foregoing directions, and to move a budget of the Chattram Savings Fund prepared annually and submitted for the orders of Government commencing from the year 1928-29.

Passes orders regarding the continuance of —— in the State.

READ—

Government Proceedings No. 875-90—Muz. 89-23-10, dated 13th November 1926, passing orders regarding the abolition of Annachattrams in the State and requesting the Muzrai Commissioner to take necessary further action on the lines indicated therein.

2. Letter No. C. 1017 of 27-28, dated 26th January 1928, from the Muzrai Commissioner in Mysore, submitting proposals, as called for in para 19 of the above order, for the disposal of Nehimi allowances charged to the Tasdik grants of the Chattrams. (In extenso.)

ORDER No. 1842-3—MUZ. 290-27-2, DATED 14TH APRIL 1928.

Government are pleased to pass the following orders on the several proposals of the Muzrai Commissioner made in the letter read above.

2. The Muzrai Commissioner has proposed to continue the Nehimi allowances detailed in Statement A1 to institutions for daily worship, paditara and deeparadhane expenses. Government consider that these cases require further examination. The authority for the grant of these allowances should be reported and the necessity for continuing them established. Pending this investigation which should be expedited, the allowances may continue to be paid.

3. The Muzrai Commissioner's proposal to discontinue the Nehimi allowances to institutions for purposes other than worship, etc., shown in Statement A2 is approved. Steps should be taken to stop these payments at once.

4 The Muzrai Commissioner recommends that certain Nehimi allowances shown in Statement A3 may be continued to individuals on grounds other than poverty, or bodily infirmity, etc., during the life time of present holders. Government desire that these cases also require examination with a view to ascertain whether there is justification for continuing them. Pending investigation the disbursement of these allowances may be continued.

5. Government approve of the Muzrai Commissioner's proposal to continue during the life time of present recipients the Nehimi allowances mentioned in Statement A4 and given on account of extreme poverty, physical disability, etc These allowances may be called "Chattram Nehimi Allowances" and shown under a separate head as suggested by the Muzrai Commissioner and the Comptroller. It is necessary to insist upon the production periodically of proof of continued existence of Nehimidars. Disbursement of allowances payable to them should be made either on their personal appearance at the Treasury or on production of acceptable life certificates Payment of these allowances at the different Treasuries may be arranged for by means of Remittance Transfer Receipts as suggested by the Muzrai Commissioner.

6. The Nehimi allowances to individuals mentioned in Statement A5 may be continued but investigation into these cases should be completed without delay.

No. 1842-3—Muz. 290-27-2, dated 14th April 1928.

7. Government await the receipt of definite recommendations of the Muzrai Commissioner in the matter of the disposal of the Chattram buildings and their stock of vessels.

8. As regards the proposal for the appropriation of a sum of Rs. 10,000 out of the Chattram savings for augmenting the annual grant for repairs and construction of Muzrai Institutions, attention is invited to Government Order No. 1326-9-Muz. 392-26-7, dated 10th February 1928. In view of the arrangements sanctioned in this order no allotment of funds for this purpose from these savings is necessary.

9. The Muzrai Commissioner is requested to take necessary further action in accordance with the foregoing directions, and to have a budget of the Chattram Savings Fund prepared annually and submitted for the orders of Government commencing from the year 1928-29.

No. 1842-3—Muz. 290-27-2, dated 14th April 1928.

Letters No. C. 1017—27-8, dated Bangalore, 26th January 1928, from P. G. D'Souza, Esq., B. A., B. L., Muzrai Commissioner in Mysore, Bangalore, to B. Srinivasa Iyengar, Esq., B.A., B.L., Secretary to the Government of His Highness the Maharaja of Mysore, Financial Department.

With reference to Government Order No. 875-90—M. F. 89-23-10, dated 13th November 1926, and subsequent correspondence, I have the honor to state that it is reported by the Deputy Commissioners that effect to the orders of Government was given as directed and that free feeding in the abolished Annachattrams was stopped from 1st January 1927.

2. As regards the nehimi allowances referred to in para 19 of the order, no more allowances of this nature have either been sanctioned afresh or renewed after 13th November 1926. As regards the existing allowances, I submit herewith the following statements.

A. Details showing nehimi payments which are now being incurred in Government Annachattrams abolished since 1916.

A_1 Nehimis to institutions for daily worship, paditara and deeparadhane expenses granted by competent authority and proposed to be continued.

A_2 Nehimis to institutions for purposes other than worship, etc., and proposed to be discontinued.

A_3 Nehimis to individuals on grounds other than poverty, bodily infirmity, etc. and proposed to be continued during the life-time of the present-holders

A_4 Nehimis to individuals on account of extreme poverty, physical disability etc., and proposed to be continued during the life-time of the recipients.

& A_5 Nehimis to individuals requiring further enquiry as full particulars have not been furnished by Deputy Commissioners.

C. Statement showing the original tasdik grants of the chattrams, the total nehimi charges which are now being incurred and the balance of grant available.

D. Statement showing the distribution of nehimi payments between institutions and individuals.

E. Abstract statement of receipts and expenditure of the total chattram cash grant and income from investments.

3. From statements C & D it will be seen that out of a total tasdik grant of Rs. 48,048-7-0 endowed to the chattrams abolished since 1916, a sum of Rs. 11,062-7-0 was being expended on account of nehimi payments, leaving a balance of Rs. 36,986-0-0 for *bona fide* purposes of the chattrams and that out of the total nehimi charges of Rs. 11,062-7-0, a sum of Rs. 7,546-6-0 was being paid to institutions and the balance of Rs. 3,516-1-0 to individuals. In both the cases the authority under which the grants were made has been quoted as far as possible. At this distance of time it is not possible to ascertain definitely whether in all cases grants have been sanctioned by authorities competent to do so.

4. As regards the grants to institutions, the Deputy Commissioners are generally of opinion that their continuance is very necessary as otherwise the conduct of worship in these temples will have to be discontinued as they have no other source of income In view of this recommendation and also of the fact that the institutions concerned are of much local importance catering to the religious needs of the community, I beg to recommend that the grants to individual institutions as exhibited in Statement A_1 may be confirmed in favour of those temples.

As the chattrams have been totally abolished, it seems to me that assignments from their tasdik grants made as above in favour of temples may be transferred permanently and treated as Tasdik Devadaya grant of the respective institutions and the temples treated as Muzrai institutions, subject to the departmental rules and regulations. The Comptroller to Government who was consulted in the matter is of opinion that nehimi " grants made to temples or other institutions without a time limit may be treated as permanent assignment and the institution treated as one endowed with cash grant "

If this view is accepted, the Survey Superintendent in Mysore will be requested to issue regular Title-deeds in favour of the institutions concerned for the sanctioned amounts, a corresponding reduction being made in the grant to "*Chattram and chattram Savings Reserve*" under 13 Muzrai Institutions, 2 Endowments and charitable allowances and included under "*Temples.*"

The grants to temples other than for purposes of daily worship, etc., as shown in Statement A_2 may be immediately discontinued and the amount brought under savings.

5. As regards the grants to individuals, I beg to state that all of them are in the nature of personal grants tenable during the life-time of the present recipients only. Lapses among the nehimi payments of the kind will eventually go to the benefit of the Fund itself.

Though the payments shown in Statement A_3 are in the nature of hereditary grants, the payment thereof may be confined to the present recipients in consideration of the fact that they have been in long enjoyment of them and are reported to be carrying out the object of the grant so far as present day circumstances permit.

The Deputy Commissioners while stating that the nehimidars mentioned in statetment A_4 are all poor and helpless, incapable of earning a livelihood, recommend that the payments may be continued during their life-time. In cases mentioned in Statement A, the Deputy Commissioners have stated that needful enquiries are being made and that further reports would be sent up. Pending the receipt of their replies after necessary investigation, the grants may be considered to be in force.

As regards the treatment of these allowances, the Comptroller to Government states as follows:—

"Nehimi allowances granted to individuals on personal grounds lasting for a limited period or for the life-time of the grantee which should lapse after the prescribed period or with the death of the grantee and be credited to Chattram Savings Fund should be kept distinct and provision made in the respective taluks for the amounts actually payable. To avoid confusion and distinguish them from "*Muzrai Stipends*" these allowances may be styled "*Chattram nehimi allowances.*"

I agree with the views of the Comptroller. As soon as orders of Government are passed on the above proposals, the amounts payable in the several Taluks will be determined and arrangements made to send Remittance Transfer Receipts for requisite amounts from 1928-29 out of the Chattram Savings Fund, payment up to the end of June 1928, being made as heretofore.

6. As regards the disposal of the buildings and connected properties referred to in para 21 of the order of 13th November 1926, I beg to state that a statement giving particulars in respect of all the abolished chattrams and embodying proposals of the Deputy Commissioners and my recommendation in the matter was ready for submission along with these proposals. But in view of the direction contained in para 2 of Government Order No. 1216-17—M. F. 216-27-1, dated 27th January 1928, that in the case of each of the chattrams abolished by the order of 13th November 1926, an examination should be made to see whether the buildings can be handed over to a temple or such other institution, the submission of proposals on this behalf was withheld The case of each chattram will be examined in the light of the above directions and in consultation with the Deputy Commissioners and Dharmadarsis wherever necessary and definite recommendations sent up separately for orders of Government in due course.

7. In view of the above, I request that issue of orders on proposals submitted by me about the disposal of the chattram buildings at Mandya and Nanjangud and of the vessels belonging to the chattrams at Honnali, Ananthapur and Agumbi may kindly be deferred for the present.

8. The net result of the above proposals is that out of the total income of Rs. 53,764-1-0 made up of Rs. 48,048-7-0 endowed to the abolished chattrams and Rs. 5,715-10-0 being the interest on investments held on behalf of the Chattrams Sivings Fund, a sum of Rs. 23,187-7-0 will be required for payment of nehimi charges and other items of sanctioned expenditure as exhibited in Statement E, leaving a net balance of Rs. 30,576-10-0 for utilisation for purposes mentioned in paras 13 and 23 of the Government Order. The Savings of Rs. 30,576-10-0 will be eventually augmented by a further addition of Rs. 3,594-5-0 as vacancies occur among the personal nehimidars.

9. In this connection, I may mention that the amount annually available for the repairs of Muzrai Institutions is Rs. 20,000 which is made up of Rs 10,000 contributed from the interest earnings of the General Muzrai Fund and Rs.10,00 contributed from State Funds. This amount is totally inadequate to meet the demands made by the several Deputy Commissioners year after year. Having regard to the close connection between temples and chattrams, I am strongly of opinion that a part of the savings should be utilised to augment the allotment annually made for the "construction and repairs of Muzrai Instructions" I should have pressed this view when the Annachattrams were originally abolished if I had an opportunity. Owing to inadequacy of funds the condition of Muzrai Institutions is steadily deteriorating and unless some such further contribution is made, it will not be possible to maintain the temple buildings suitably to the requirements of this important Hindu State.

10. The favour of early orders is solicited so that the entire scheme of nehimi payments and the utilisation of the funds released by the abolition of the Annachattrams may be placed on a satisfactory working basis from 1st July 1928.
